KEWTECH

KT16C 16th Edition Test Kit

Comprises of KT35 and KT60 testers, all leads and accessories in a bespoke soft case.

KT35

Digital Insulation/ Continuity Tester

- 250, 500 & 1000v insulation test ranges
- Insulation measurement to 2000MΩ
- Continuity measurement to 2000Ω
- Bar graph indication of test voltage
- Zero adjust for test lead resistance
- Lock down test button for hands-free testing
- Live circuit warning
- Protected against accidental connection to live circuit
- Battery check LED
- Auto capacitive circuit discharge facility
- Complies with BS7671 (Part P)

KT60

Digital Loop/ PSP & RCD Tester

- NEW Anti-Trip Technology for full no trip LOOP testing on all RCD types
- 15mA low current/soft Loop test
- Noise override button for high current LOOP test
- 20, 200, & 2000Ω Loop measurement ranges
- PSC measurement up to 20kA
- Displays mains voltage before test
- Lock-down test button for hands-free testing
- Protected against phase to phase connection
- RCD Ramp test feature
- 18 RCD test current ranges
- DC range for type A DC sensitive RCD's
- UC (contact voltage): 100V
- 0° and 180° phase switch for optimum testing
- Constant current output
- Instant correct wiring status check
- Complies with BS7671 (Part P)
